## About Us:

Project Atlantic Transfer, Inc (PATI) - A USA-Based Company, of the Northbridge Services Group, emerged in 2011 to cater for Total Integrated Security Services particularly for South America and African countries. Since then, PATI has continued to enjoy an uncompromised synergy with Northbridge Services Group (NSG) as its African and South American Base Command.

Northbridge Services Group (NSG) was founded in 1999 as a private military company registered in the Republic of Dominica to provide military services and logistics to our esteemed clients. Our agents have served world-wide and come from a variety of military organizations.

PATI specialize in providing highly confidential and effective related services designed to address the needs of Governments, Multi-National Corporations, Non Governmental Organizations, the Corporate Sector and Prominent Individuals.
